

The M Family

Meet Paul, Kristal, and M

Our weekends are filled with family time. Family is so important to us! We live in South Dakota, where most of our family resides. Paul is a K-12 Vocal Music teacher. Kristal has a degree in elementary education and is currently a stay-at-home mom.

Our dream to start a family began through adoption over 3 years ago. We love being parents and feel called to add another child to our family. We both come from larger families and understand the beauty of having siblings, so we also desire that for our son.

We have a great respect for birth moms and families. We know this is not an easy decision. Our hearts are open to creating a relationship with you, just as we maintain an open relationship with our son's birth family. Thank you for taking a quick look at our family, a more in depth profile book is available. We hope to hear from you soon!
