

# Bob & Kelsey

Hello! We are Bob & Kelsey, the 'M' family. We have been married for almost 7 years and live in North Dakota near both of our families. We are so excited to grow our family through adoption!

Bob works in CyberSecurity for a large agriculture co-op, and Kelsey works in HR for a non-profit. We love traveling, spending time with family & friends, and spending time with each other and our pets at home.

We have always known adoption would be a part of our journey, and would love the future of our journey to include a relationship with our future child's first family. We are open to what that first family decides, and know that any relationship with them will only mean more love for our future child.

## Fun Facts

- We have four pets that we call 'our zoo' – 2 dogs & 2 cats
- We recently took our dream trip to the Netherlands & Belgium
- We each have a tattoo of one of our dogs
- We love spending time together playing video games (Bob) and reading (Kelsey)
- Half of our immediate family lives within 1 mile of our home

Thank you for taking the time to learn a little more about us. We want you to know that we have so much respect for you, and always will.

## We are so excited to meet you!
