

# meet the “P” Family

## HELLO!

Nebraska-based explorers at heart, we both share a deep love for travel, whether it's discovering hidden gems across the U.S. or exploring new corners of the world together. We thrive on the energy of live sporting events: the roar of the crowd, the thrill of competition, and the joy of cheering side-by-side. Equally, our faith is a cornerstone—Sunday mornings spent at church, community gatherings, and church events are integral to our weekly rhythm.

Our families are at the center of everything—we cherish time with parents, siblings, nieces, nephews, and lifelong friends. Whether it's celebrating holidays, hosting backyard cookouts, or simply catching up over coffee, the bonds we share ground and uplift us both. Now, we are eager to begin the path to adoption. We are ready to open our hearts and home to a child. This next chapter reflects our values: full of adventure, fueled by love and faith, and surrounded by a strong, supportive family.
