

# The W Family

Meet Peyton & Sam

We have been married for 5 years, and live in eastern North Dakota. We have a 3 year old biological daughter and a 4 year old labradoodle. Peyton works remotely within the IT department at a large bank, and Sam is in the finance department at a manufacturing company here in town.

We enjoy spending family time outdoors during the warmer months - playing in the yard, going to the park, gardening or going for walks around the neighborhood. We value time spent as a family, and prioritize spending our evenings together, enjoying one another's company.

Our faith is the foundation of our lives. It shapes the way we love, parent & support one another. We believe in raising our children in a home where faith, family and love are at the center, and where kindness and joy are practiced daily.

One of our greatest hopes is to grow our family through adoption. Our daughter is so excited to become a big sister, and we know she will be a loving, protective and fun sibling. We look forward to giving her a built-in best friend, someone to share adventures with, make memories with, and grow up alongside.

We deeply respect your decision and the love behind it, and we honor the courage it takes to consider adoption for your child. Please check out our profile book to learn more about us and the values we live by.
