

THE 'S' FAMILY

Reese, Sarah & L
From Fargo, North Dakota

How did an introvert Sarah meet an extrovert Reese? A professor in college assigned us into groups. We are still a team 12 years later!

Reese was born and raised in ND and loves the outdoors - fishing, golfing and being on the water.

Sarah was born and raised in IL and is a homebody who loves homemaking - hosting dinner for family & friends and decorating for every holiday.

We knew we wanted a family. 'How?' became the question. We pursued adoption in 2024 and were blessed with our son. Now we pursue adoption again to give L a forever best friend!

Fun Facts

- We are both accountants!
- We've been married 10 years
- We love long road trips
- Reese's dad jokes are perfectly cheesy
- We put the magic in Christmas

Our reason for adoption is even sweeter this time around - L needs a forever best friend! Our arms, hearts and home are ready to welcome another bundle of joy to complete our family!
