

Meet Jerimy & Lana

The C Family

Thank you for taking a moment to get to know us.

For a long time, we have dreamed of growing our family together. Our path has included hope, heartbreak, waiting, and embracing a journey we never expected. Through it all, our appreciation for family has only grown, and we are excited for the day we welcome another child into our family. More than anything, we look forward to the everyday moments that make a family; traditions, laughter, holiday mornings, and memories made together.

Family is at the center of everything we do. Lana comes from a large, close-knit extended family, while Jerimy comes from a smaller family that remains incredibly connected. Lana is also proud to be a stepmom to two amazing girls who have brought so much joy and love into our lives. A child joining our family would be surrounded by grandparents, aunts, uncles, cousins, friends, and siblings who are excited to love and support them.

Our greatest hope is that a child always knows they are deeply loved, exactly who they are, and never has to question how cherished they are.
