

Hello, It's nice to
meet you!

We are Matthew & Trinity, and we are grateful for the opportunity to introduce ourselves!

We love being married and are eager to grow our happy little family. Family is at the center of our lives, and we are fortunate to be surrounded by loving relatives & friends who are excited to welcome a child.

Adoption is deeply meaningful to us. Matthew's mother was adopted from Korea, giving our family a personal connection to adoption and a deep appreciation for it. As we learned more about adoption ourselves, it became something we wholeheartedly embraced.

We enjoy gathering with family, celebrating holidays and traditions, sharing big meals, and making memories with the people we love. We hope to provide a child with a stable, faith-filled home where they feel secure, valued, and encouraged to become fully who they are.

Thanks for reading about us!
