

Meet Our Family

A little about us and the home we hope to share through adoption

Our Story

We met while working at an assisted living facility in the memory care unit, and we have been together for a year and a half. Taylor is the proud mom of a nine-year-old daughter. Mason works as a cook at an assisted living facility, and Taylor works for the United States Postal Service.

After experiencing infertility, we prayerfully decided that adoption would be the most meaningful way to grow our family. We are excited about the possibility of welcoming another child into our home and creating a lifetime of memories together.

Our Faith

Our journey has been guided by the power of prayer and a strong faith in God. We believe God has a plan for our family, and we trust Him to lead us through each step of the adoption journey. Our home is built on faith, love, kindness, honesty, respect, forgiveness, and unconditional support.
